BRITISH CARRY FIRST LINE OF THE GERMAN.

Lens Seems Destined to Fall Soon—French Are Also Landing Heavily On Huns.

London, Aug. 15.—Field Marshal Haig's forces attacked the German positions along a wide front early this morning from Lens to northeast of Loos. The official statement says the British are making progress.

General Haig reports that the British troops have carried the German first line at all points of the line attack.

British Front in France and Belgium Aug. 15.—(By the Associated Press.)—Hill 70, the famous German stronghold northwest of the French mining city of Lens, which dominates the city and the Loos salient, was captured this morning by the Canadian forces.

The British also pushed their lines into the northwestern environs of Lens in a semi-circle around the eastern side of Hill 70.

The British attack was made on a 4000-yard front which had an extreme depth of 1500 yards.

Beginning at a point just above Hugo wood, the new British positions now run southeast and beyond Hill 70 towards Lens. The line then bends southwest and encircles the suburbs of St. Laurent and St. Emelle.

To date Barry county has not received credit for the young men who enlisted in the army since June 5, in the reduction of the county's quota from 178 allotted to her. No county in the entire Southwest part of the state has been called upon to furnish so many men under the draft law as Barry. Many citizens in this county believe that Lawrence county has been given credit for the young men from this county who enlisted with the Peire City and the Aurora companies. The matter has been taken up with the Governor and with the Adjutant General. At least forty young men from this county have enlisted in the army. If Barry county had her proper credit her quota should not exceed 140 men.—Cassville Republican.

SCOTT-HARRISON

Miss Margaret Harrison and Charlie Scott were married at 8 o'clock, Wednesday evening, August 15, at the home of Mr. and Mrs. A. M. Peel, the bride's grandparents.

Rev. J. F. King, pastor of the First Methodist church, performed the ring ceremony in the presence of a few relatives and friends. Those witnessing the marriage were Mr. Scott's parents, and Mr. and Mrs. Cecil Scott, of Springfield, Mrs. Singbush, Carl, Elsie and Dorothy Eingbush, of Champaign, Ill.; Mr. and Mrs. George Morrow, Miss Dorothy Morrow, and Mr. and Mrs. A. M. Peel.

The bride wore a becoming rose Jersey suit and Georgette blouse. Immediately after the ceremony Mr. and Mrs. Scott left on No. 8 for Springfield. From there they will go to Kansas City and Hollister for a short honeymoon, after which they will establish their home in Springfield.

The bride is the daughter of the late Mr. and Mrs. Allen Harrison. She is a graduate of the Monett high school and has for several years held a position in that school as teacher, being very successful. She is popular in society and accomplished in many ways. Mr. Scott is assistant district engineer for the Frisco under Jack Taylor, with headquarters at Springfield.

ICE CREAM SOCIAL

The young people of New Liberty church and Sunday school will give an ice cream social in Jake Carter's beautiful grove at the cross roads, Saturday night, August the 18th, the proceeds to go to the church.

Ice cream, cake and cold drinks will be served.

A cordial invitation to all.

AMERICAN SOLDIERS PARADE IN ENGLAND

March Through London Decorated With Flags and Cheered By Great Crowds.

London, Aug. 15.—American troops marched through London today. They were reviewed by Ambassador Page and later by King George at Buckingham Palace. Great crowds lined the streets, which were decorated profusely with American and British flags. Enthusiasm was shown everywhere. The Americans were cheered by civilians, by soldiers on their way to the front and by wounded men. The troops were escorted by guard bands.

A meeting of the cabinet was in progress when the Americans approached Whitehall. It was adjourned to permit the premier and his colleagues to pay their compliments to the Americans. The cabinet went in a body to the war office.

DUE NOTICE

While walking along the street an epileptic dropped in a fit and was quickly rushed to the hospital. Upon removing his coat one of the nurses found a piece of paper pinned to the lining, on which was written: "This is to inform the house surgeon that this is just a case of plain fit—not appendicitis. My appendix has been removed twice."

Dr. and Mrs. E. L. Blankenship, of Cassville, are the parents of a son born August 14.

38 AMERICAN SHIPS DESTROYED IN WAR

New York, August 12.—The Campana was the thirty-eighth American merchant ship destroyed through the operations of German and Austrian submarines and raiders since the war began. Thirteen other ships were sunk before the United States entered the war, April 6, 1917, and fifteen since that time. The total tonnage of the ships lost is about 113,000 tons, including 64,000 tons sunk since April 6.

No American ships fell victims to the central powers in 1914, and only two in 1915 and the same number in 1916. When Germany began her unrestricted submarine warfare, however, attacks on American shipping became more frequent and America lost nine ships between that date and the time when the United States declared a state of war existed with that country.

The first American ship sunk was the William P. Frye, January 28, 1915.

ST. LOUIS LIVE STOCK MARKET SPECIAL REPORT

National Stock Yards, Ill., Aug. 14. To-Day's Receipts.

Cattle - 4500

Hogs - 6000

Sheep - 4500

Cattle—Market opened "the week with a good run on sale, there being about 9500 head, and the trade was satisfactory from start to finish. Prices were generally steady throughout, and where exceptions were noted they were for steer cattle, that kind being strong and in cases possibly a little higher than the best time last week. Receipts were considerably lighter to-day, and the market in very satisfactory condition, steers being steady to strong, compared with yesterday, while butcher cattle were strong and 10 to 15c per cwt. higher, with normal supplies, or no over-supplies, we still believe the good market we have been predicting will eventually materialize.

Hogs—Market still on the upward trend, top hogs now being the highest ever recorded on the market. To-day's trade was 15 to 20c higher than yesterday's closing prices on best hogs, top \$17.80. Good weight pigs shared the advance, while light pigs sold slow and steady. At this writing choice hogs 180 lbs. up are selling from \$17.50 to \$17.80; mixed hogs 160 lbs. up \$17 to \$17.50; 120 to 150 lb. pigs \$15.25 to \$16.75; 90 to 115 lb. pigs \$12.75 to \$15.25; pewees \$9 to \$11; best rough hogs \$16.25 to \$16.50 and half-fat rough hogs \$11 to \$13.

Sheep—Lamb market fully 50c per cwt. higher than yesterday, while sheep sold actively at strong prices. Good to choice lambs \$15 to \$15.30; medium to good \$14.50 to \$15; common to medium \$13.50 to \$14.25; culls \$10 to \$11; fat sheep \$9; bucks and choppers \$6.50 to \$7, and canners \$4.50. Prospects are for a light run the balance of the week, and a strong market.
